Hello Steven,

We are in the process of sending out our final statements, and we just wanted to reach out to the club members who have not yet submitted their 2012 dues. If you wish to continue your membership in the amount due of \$325, you may remit payment with a check via snail mail or with a credit card over the phone. Our contact information is provided below the signature on this message. We are available anytime from Monday through Friday between the hours of 9am to 6pm. Thanks so much!

Happy Summer!

Very Best,

Dear Sir/Madame,

We recently tried to mail you your 2012 Explorers Club membership card. Unfortunately, the U.S. Postal Service returned our mailing. Evidently, the physical address that we have on record for you is not current. Would you be so kind as to confirm your new mailing address, including any new phone numbers or email address changes, so that we can deliver your membership card? We apologize for any inconvenience this may cause you. Upon receipt of your mailing information, we will update our records. Wishing you a nice remainder of the summer!

Very Best,
